How to use Wax Melts

Use a designated wax melter/oil burner to burn wax melts

Burn on a stable, heat-resistant surface

Do not leave a burning candleand wax melt unattended

To discard,slightly heat the wax warmer and slide the wax melt block.Discard appropriately

Place the wax melt on the warmer, light the tea light candle and place it below the wax warmer.Enjoy the scent.

Feel free to mix different wax melt bars and create your own unique scent

Keep out of reach of pets and children

We advise that you burn the wax melt for a maximum of 3-4 hours at a time
